Clarification on Hair Growth Shampoo Labeling

Dear Valued Customer,

We hope this message finds you well.

We are reaching out to inform you about a recent printing error on the label of our Hair Growth Shampoo. Due to this error, some bottles were mistakenly labeled as Hair Growth Activator. We sincerely apologize for any confusion this may have caused.

We want to assure you that the product inside remains the same high-quality Hair Growth Shampoo you trust. The formulation, ingredients, and benefits are identical, and there has been no change to the product itself. The difference lies solely in the labeling.

At Nano Hair Growth Clinic, we are committed to transparency and excellence in every aspect of our service. Steps have been taken to correct this error in future batches, and we are actively reviewing our processes to prevent similar issues from occurring again.

If you have any questions or concerns, please do not hesitate to contact us. We deeply appreciate your understanding and continued support.

Thank you for choosing Nano Hair Growth Clinic for your hair care needs.

Best regards,

BRYAN GOH

Operation Director
