Formulation Improvement for Shampoo

Dear Valued Customers,

We are excited to announce that we have improved the formula for our **Anti Sensitive Scalp, Scalp Cleansing, SDP, and ADE** shampoos to be thicker. This will provide the following benefits:

**Improved Texture:**

Thicker shampoos can provide a luxurious feel that many consumers find appealing. This sensory experience can make users feel like they are using a more premium product.

**Stability:**

A thicker formulation may be less prone to separation or settling of ingredients over time.

**Suspension of Ingredients:**

Thicker shampoos can effectively suspend exfoliating particles or botanical extracts, ensuring even distribution throughout the product.

亲爱的顾客们，

我们很高兴地宣布，我们已经改进了 **Anti Sensitive Scalp、Scalp Cleansing、SDP 和 ADE** 洗发水的配方，使其变得更加浓稠。这将带来以下好处：

**改善质感：** 更浓稠的洗发水能提供一种奢华的使用感，许多消费者会因此感到愉悦。这种感官体验让用户觉得自己在使用更高端的产品。

**稳定性：** 更浓稠的配方更不容易出现分层或成分沉淀的情况。

**成分的悬浮效果：** 浓稠的洗发水能够更有效地悬浮去角质颗粒或植物精华，确保产品均匀分布。

Best regards,

KOH KOK LEONG
