

START DATES FOR SEEDS

PLANT NAME	START DATE	PLANTED (Y/N)
		 An illustration of a cucumber plant growing on a shovel handle. The plant has green leaves, yellow flowers, and a single cucumber. The shovel handle is brown and the shovel head is grey. The plant is growing out of the shovel head, which is stuck in the ground. There is a small red ladybug on a leaf near the bottom of the shovel. The background is white with some green grass at the bottom.
