Hey Y'all,

I hope you are all handling this crazy winter we are having. The good news is it's almost over. The even better news is that means we are even closer to the beginning of show season. Speaking of show season, I am going to ask for your help. We need volunteers at our shows.

There is a large amount of work that goes into putting on a show, and right now we do not have a large amount of help being offered. The only way for Midway to grow as an organization is to have our members help.

I was very happy to see everyone that showed up to our January general membership meeting. The food was absolutely delicious and the company was even better. We discussed several different ideas for our 2018 season. Remember the only way to have your voice heard is at our meetings. I personally want to thank everyone that came to the January meeting and let their voice be heard.

One thing we need help with is obtaining sponsorships. Sponsorships cost one hundred dollars. That gets the sponsor advertised on our website, in our monthly newsletter, and announced at every show for the season. If each of our members were to obtain one sponsor we could fill all the spots before our first show. That would be amazing!

Well, time to renew memberships for the season. If you renew your membership before March 1st you have a chance to win your membership for the year. That sounds great to me!

Our next general membership meeting is Thursday, February the 22nd at 7 pm. I want to ask if you are able please come to the meeting. The show committee meeting is Tuesday, February the 6th at 6:30 pm. This is our meeting for the upcoming show season. We will pick our classes and make our show sheets for the season at this meeting. This meeting is open to all members so if you want to see different classes this is the meeting to attend. I hope to see several people at both our February meetings because you are all great and I'm sure can help in some way. Ask not what your saddle club can do for you, ask what you can do for your saddle club. Let's make 2018 an amazing season. I look forward to working with all of you this year.
