VOLUME 21, ISSUE 5

MAY, 2018

Hey y'all,

I hope everyone is enjoying the beautiful weather we have been having. Our first open show of the season is may 19th at 1pm. Our judge will be Amanda Ward. I hope for a great turnout. The new show sheet is on our website so make sure to check it out. And if anyone has any questions feel free to contact an officer.

Our fun show was amazing the weather was perfect. We had a great turnout for it as well. There were even a few new faces and members to add to the midway family. I can't remember laughing or having that much fun at a show in quite some time. To everyone who showed thank you it was an absolute blast to spend the day with you.

I would like to take a minute to thank a few people personally for what they do for midway saddle club. I would like to thank Irvan Barrett and Becky Jo Sowers for judging our fun show you guys did a great job. I want to thank joe Owens for repainting the midway sign as well as making the officer signs they look great. Lena Sutton stepped up and announced part of the show and did great job for her first time. Justin Callihan did such a great job on the grounds before the show and it was beautiful and ready for the show thank you. Now the next part will take a little while to list but without them there would be no way possible to put on the shows. These people are our officers and you are all so special. Whether it's Sandi Collette and Janet clack handling show entries among all the other things they do by the way Sandi the hanging planters looked great in center ring. Tammy Martin is the best ring master we could ever ask for and her son Brody is always ready to help in any way. Denis Martin our chaplain is always there to help with a smile on his face. Vice President kim Phillips you always go above and beyond for midway saddle club there's too much to list, and all the photos you took at the fun show turned out great. Liz LaRoy thank you for taking time out of your day at the last minute to go pick up the ribbons and for everything else you do. This is just a few of the things the officers at midway do. When we had our clean up day you all showed up with a smile on your face. Jerry Hugh's thank you for all you did on our clean up day too. Without our awesome team none of this would be possible, you all make me so proud to be a part of midway and you really are an amazing group of people to work with. So again thank you for all you do. Well I think I've gone on long enough, so all I ask now is for everyone to have a fun safe show season. Because after all that's what it's all about having fun.

Go hug your horse. Someone probably loved a mare, and carefully chose a sire. Someone devoted their life to a stallion they believed in. Someone chose to help mares make babies for a living. Someone sat up all night for who knows how long to help your horse into the world, and someone kissed that wet nose. Someone put on the first halter, picked up the first hoof. Gave the first bath, and tightened the first girth. It took a lot of hearts to carry your horse to you. They gave many moments of their lives, many breaths, many stomped toes and broken boards. Hug your horse for them.... They did it believing in your horses future, so make it a good one. -
