

# 100 BOOKS TO READ BEFORE YOU LEAVE PATTISHALL

## Introduction

*100 books to read before you leave Pattishall* is the carefully selected range of texts we believe form the ultimate book list that ALL children should experience before they leave our wonderful school.

At Pattishall CE Primary School, we believe giving children experiences of high-quality books will not only enhance their literary skills but will also inspire them to engage with books, develop a love of reading and create motivation to write. Not only this, but we hope all children leave us with an enquiring mind, increased understanding of the world in which we live and as readers for life.

We have added books that are core texts covered within our English Curriculum in **red** on the main overview. We would appreciate it if you would avoid these texts until they have been introduced to the children in school in order to keep the magic and journey of discovery open for class teachers to tap into and engage children in their planned learning activities.
