

Be watchful. Stand firm in your faith. Be strong. Be courageous. And let everything you do be done in love. 1 Corinthians 16: 1

PE and Sports Premium Grant – from the Department for Education

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer.

This means that you should use the premium to:

- develop or add to the PE, physical activity and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, you can use your funding to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the [School Games](#)
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- [raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2](#)
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

Pattishall Primary is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.

Be watchful. Stand firm in your faith. Be strong. Be courageous. And let everything you do be done in love. 1 Corinthians 16: 1

PE and Sports Premium Grant 2024 – 2025

At Pattishall CE Primary School, we believe that Physical Education and sport play a vital role in the physical, social, emotional and cognitive development of children. Physical Education and sport are central in giving children the knowledge and understanding in order to make a positive impact on their own health and well-being.

We have welcomed the Government's additional funding to improve the provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people. We are proud of what we have achieved with the funding to date and believe that the funding has made a substantial and positive impact on the pupils in our care.

Section 1: Contextual information			
Academic Year	2024-2025	Basic PE and sports premium grant	£16,000
NOR in Year 1 - 6	124	Additional funding £10 pp	£1,240
Total PE and sports premium grant			£17,240
