- › Transfer calls from parents/carers to the head teacher in order to provide them with more detailed support on attendance

3.7 Parents/carers

Parents/carers are expected to:

- › Make sure their child attends every day on time
- › Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- › Provide the school with more than 1 (3 in total) emergency contact number for their child
- › Ensure that, where possible, appointments for their child are made outside of the school day

3.8 Pupils

Pupils are expected to:

- › Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Be watchful. Stand firm in your faith. Be strong. Be courageous. And let everything you do be done in love. 1 Corinthians 16: 1

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- › Whether the absence is authorised or not
- › The nature of the activity if a pupil is attending an approved educational activity
- › The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.45am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9am. The register for the second session will be taken at 1.20pm and will be kept open until 1.30pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school office staff or sending a ParentMail (see also section 7).

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents should request this through the website. [Parent Info \(pattishallschool.co.uk\)](http://pattishallschool.co.uk)

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

Be watchful. Stand firm in your faith. Be strong. Be courageous. And let everything you do be done in love. 1 Corinthians 16: 1

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

The parents of children who are routinely late will be spoken to, to discuss how the school can support with barriers to punctuality. This may lead to an EHA or an attendance contract.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, and have existing concerns, the school may contact the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

4.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels in their interim and end of year reports as well as a Class Dojo message in between. Parents of children with low attendance will be contacted directly and individually.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as

AUTHORISED
1. Sickness
2. Emergency medical appointments
3. Specialist medical appointments
4. Days off for religious observance
5. School closed due to unforeseen circumstances
6. Attendance at an approved educational event (e.g.: sporting event or dance exam)
7. Family bereavement
8. Family wedding taking part on a school day (travel not included)
9. Family crisis
10. Visit to a new school if part of relocation

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Be watchful. Stand firm in your faith. Be strong. Be courageous. And let everything you do be done in love. 1 Corinthians 16: 1

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school website. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- › Illness (including mental illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- › Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- › Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

Flexi-schooling requests – our school is for everyone, and we will consider flexi-schooling on a case-by-case basis. We will work with keenly engaged families and put in place:

- › An agreement of engagement
- › Home visits
- › Evidence of home day learning shared in school
- › Termly planning meetings with the class teachers
- › Regular updates on how home learning is supporting the curriculum
- › An agreement that none of the curriculum will go untouched
- › Sharing of resources
- › An agreement to touch base with school on home days
- › An agreement to be flexible both ways – so if the educational advice is that flexi-schooling is having a negative or detrimental impact socially or academically, parents will follow the advice of the professionals and engage more in school (either as part of home learning, or by increasing time in school).

5.2 Legal sanctions

The school or local authority can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carers must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- › The number of unauthorised absences occurring within a rolling academic year
- › One-off instances of irregular attendance, such as holidays taken in term time without permission
- › Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

Be watchful. Stand firm in your faith. Be strong. Be courageous. And let everything you do be done in love. 1 Corinthians 16: 1

6. Strategies for promoting attendance

Attendance is not the child's responsibility. Therefore, we do not berate or celebrate attendance with them. We make sure that learning is irresistible, so that they want to attend, and we inform the parents often of the attendance trends across the school. FoPs also allocate £5 per week to the class with the highest attendance, meaning that teachers are more likely to follow up on poor attendance as the first port of call, as they can use that budget for class items!

7. Attendance monitoring

As a small school, we talk regularly about individuals and their attendance. We know each child and family well and link attendance to achievement and safeguarding. Therefore, the DSL team monitor attendance as part of our weekly (D)SLT meetings.

Any attendance that causes concern will lead to open conversations and support for the families.

Attendance is also monitored by the Governing Body at every FGB.

7.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Be watchful. Stand firm in your faith. Be strong. Be courageous. And let everything you do be done in love. 1 Corinthians 16: 1

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

Persistent unauthorised absences lead to close monitoring and attendance contracts.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every 2 years by the DSLs. At every review, the policy will be approved by the full governing board.

9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
