Code of Conduct & School Rules

Good behaviour and discipline are key foundations for good education. Without an orderly atmosphere effective teaching and learning cannot take place. We expect and insist on the highest standards of behaviour throughout our school.

Courtesy, good manners and consideration for others, together with self-discipline and a proper respect for authority are encouraged at all times and are important if we are to make our school a true, caring community. We place great emphasis on praising children for politeness and kindness to others. Head Teacher Awards and Star of the Week certificates are given for outstanding work or actions in line with our core Christian values of thoughtfulness, kindness, courage and perseverance, co-operation and respectfulness.

The Head Teacher will bring any serious breach of discipline or any disruptive behaviour to the attention of the parents concerned and an appropriate course of action will be decided upon in accordance with the behaviour Policy. A copy of the school behaviour and discipline policy is available on our website.

All children are expected to make a full contribution to the school and support the positive endeavours of all its members. Rules are essential for the benefit of all in any community and we try to keep these as simple as possible, but we do expect them to be kept.
