Your closet holds stories and seasons of you.

When it's cluttered with pieces that no longer feel like you, it can weigh you down, stealing time and ease.

In our time together, we'll move through a guided energetic cleansing of your closet, release what doesn't serve you, and intentionally create outfits that carry you through every part of your life - from work to play to community to home.

You'll Experience

- ❖ Energetic Reset – Release clothing that no longer matches your energy or expression.
- ❖ Authentic Style Mapping – Curate outfits that feel natural, effortless, and fully you.
- ❖ Practical Flow – Learn simple pairings and combinations so getting dressed becomes intuitive.
- ❖ Daily Confidence Boost – Capture photos of your new outfits for quick reference whenever you need inspiration.
- ❖ Grounded Nourishment – Light snacks are provided so our energy stays steady and enjoyable.
