PRESIDENT'S MESSAGE

***Deb Baker,
President***

Greetings BASSLake Members and Friends!

I cannot believe that it is already February. Time seems to be such a blur these days. Thank goodness for our “smart” phones and all the devices to let us know what the day and date is... or I would be lost!

From all reports, I hear that the groundhog did see his shadow, so I

guess we are in for more winter weather. In normal times, we would be eagerly planning our trips to the beach for DJ Throwdown, SOS and etc., but at this point, we really don't know when we will be able to get together and dance again. No word officially at this point but HOPEFULLY it won't be as long as it has been.

On a more positive note, your BASSLAKE Board continues to “Zoom” each month for our meetings. Who would have ever thought that this would be how we conduct our board meetings! We have all had to adjust to the world's current situation and we are doing our best to meet safely! After some brainstorming, we have come up with the idea of having a virtual Zoom Social and allow you as our members to join in. I have spoken with some of you and everyone seems to be on board and excited about the idea! BASSLake is fortunate to have some computer “savvy members” who are working hard to HOPEFULLY make this happen. Let's all keep our fingers crossed and stay tuned! Details and plans to follow.

If you as members have any ideas and suggestions, please let us know! BASSLake will be celebrating our 14th Anniversary soon. We may be small in membership, but our club has had some great events that have created some lifetime friendships over the years. I am confident that we will come through this all bigger and better if we just have faith and hang on! My motto has

always been that there is a reason for everything. I am not sure what the reason??? Or why?? but I have faith that everything we be ok.

Please take care, stay healthy, “Dance in your kitchens” and I hope to actually “SEE” you all soon!

Deb
