

*Please complete the registration form on-line.
There are three times during the year to sign up:*

#1 - REQUEST/EARLY SIGN UP PERIOD

September 1 - October 31, 2026

\$265.00 (\$285.00 non-resident)

This is the registration period when you are allowed the privilege of requesting two best friends to play on the same team as you.

*The Northbrook Action Baseball League asks for early registrations because the League can provide better quality service if it has a longer time period to organize and accommodate everyone desiring to gain a positive baseball experience and have a **guaranteed spot on a team!***

#2 - WINTER/REGULAR SIGN UP PERIOD

November 1 - December 31, 2026

\$285.00 (\$305.00 non-resident)

This is the registration period when there is a less likely chance that your friendship requests will be honored since a large number of placements will already have been taken during the first sign up period.

PLEASE NOTE: Registration will be held on a first come, first served basis. If all spots are filled during the 1st and 2nd registrations, there will not be a late registration period!

#3 "LATE" SIGN UP PERIOD

January 1 - January 31, 2027

\$305.00 (\$325.00 non-resident)

If you have any questions, please call Mark or Scott and leave a message!

The Northbrook Action Baseball League, directed by Mark Gerstein and Scott Weiner, has developed a quality baseball program for anyone in pre-school through 2nd grade (boys or girls) who want a chance to become a star. In this baseball league experience, children learn the basic fundamentals of the game like hitting, catching, throwing, running bases, etc. They meet new friends and have tons of fun in an organized, low-keyed atmosphere. Players really look forward to attending all of the games and practices.

The Northbrook Action Baseball League will be split up into 4 sections:

T-Ball League

(boys & girls 3 years old and over)

Minor League

(boys & girls presently in kindergarten, 2026-2027)

Intermediate League

(boys & girls presently in 1st grade, 2026-2027)

Major League

(boys & girls presently in 2nd grade, 2026-2027)

All children (boys and girls) will be instructed on how to hit, catch, and throw a reduced injury baseball, along with learning how to play most positions on the field. Children in all leagues, with the exception of the T-ball League, will be taught how to hit a pitched baseball.

SCAN FOR REGISTRATION

Registration is done on-line, on a first come, first served basis. Everyone who succeeds in getting their registration in **early**, during the “REQUEST” sign up period, will be assigned to a team and be guaranteed of playing in every inning of every game. **If a parent or coach wants to form their own team, they can submit a list of their registered players to us by email.** No more than 13 players will be allowed on any team.

All players will be given a team shirt, cap, socks, and official baseball pants, along with being instructed by an adult coach who enjoys working with children.

This will be a 10 week program starting the end of April and extending through the final week in June.

During the season, all players will meet at least twice per week (once for their organized game and at least once for practice). All scheduled games, tentatively, will either be played at Greenfield Field (Pfungsten & Dundee), Greenbriar School, Meadowbrook School, or at Stonegate Park.

By April 1st, you will receive a complete roster of team members and a schedule of games for the entire season. All league gametimes will be weekday evenings at either 5:30 or 6:45 p.m. In the event of bad weather on a gamedate evening, those games will be rescheduled. Team Practices will be scheduled by the coaches at their availability at least once per week.

VOLUNTEER COACHES:

If you would like to spend about 2-3 hours per week to help children learn basic fundamentals of the game, and enjoy a terrific, satisfying experience, then please circle YES on your child’s registration form where it asks if parents want to be a head coach. *TRY IT! YOU’LL LOVE IT!*
