#1 YOUTH SPORTS FUNDRAISER IN THE NATION

GET YA REPS™

Get Ya Reps — the #1 youth sports fundraiser in the nation

For Little League Teams — Two Ways to Start

Every donation is earned

This isn't asking for a handout. Your athletes **earn every donation**. The athlete completes three sixty second fitness challenges at home — they put in the work first, and supporters give because they saw the effort. Coaches and parents get in on it too, so the whole team community raises real money for the season ahead.

That's the heart of Get Ya Reps. A supporter's reason to give isn't pity, pressure, or a product they don't need — it's watching an athlete step up, complete a physical task, and earn it.

STEP 1 — THE WORK

The athlete takes the challenge

The athlete completes three sixty second fitness challenges at home — and gives it everything they've got.

STEP 2 — THE FINISH

The athlete completes the task

They finish what they started. Completing the task is the achievement — supporters can see the effort, the reps, and the determination for themselves.

STEP 3 — THE DONATION

The supporter gives because it was earned

That's the motivation to donate: the athlete earned it. The donation becomes a reward for real work — not a handout, and not a favor.

Built for teams like yours — baseball, softball, football, soccer, basketball, and more.

Let us run it for you

See what your team could earn

Every dollar below starts with the athlete completing the fitness challenge. That completed task is what motivates each supporter to give: 20 people donating $20 each because the player earned it — that's $400 earned per player.

20 supporters × $20 = $400 per player

20 players × $400 = **$8,000 earned for the team** · 400 supporters team-wide

If we run it for you: your team keeps $6,400 (80%) · Get Ya Reps receives $1,600 (20%) · No upfront cost

Example only — not a promise. Actual results vary by team and by effort. Example uses $20 per supporter, given because the athlete completed the physical task.

Ready to get your team started? Join the teams raising money the Get Ya Reps way — athletes earn every donation by completing the challenge, with players, coaches, and parents all in it together, fitness first.
