Annual Meeting
Tuesday, October
15,
7 PM
Wakefield Forest
Elementary School
Change of venue:
please meet in the
library

Email List Re-Do

In the process of transferring our website and email contact list from our old webmaster who was moving out of our neighborhood, our email contact list was lost. If you wish to continue to receive occasional emails from our association, please email your name, your address, and obviously your preferred email address to our new Gmail account:
wcwha.org@gmail.com

Help!!!

We are still desperately/eagerly looking for **someone willing to maintain our website.** Maybe even a tech-savvy high school student looking for community service hours? Please let me know. In the meantime, if you are looking for our languishing website, you can find it at <http://wcwha.webs.com>.
elizsegall@aol.com

New Directory Updates?

Immediately following the Annual Meeting I will be updating the WCWHA directory. Please review your listing before then and let me know if it needs to be edited.

Please Clean Up After Your Dog

Many people walk in our parkland each day-- some with and some without a dog. For many while walking through the park this summer it has been particularly disturbing to find dog feces from small dogs on the sidewalks and steps leading to the parkland. We have a pooper scooper rule in the neighborhood which we are all supposed to follow. Please pick up after your animals so we can all enjoy our neighborhood and the parkland.

Parkland

Thanks to Brian Kiviat of Ordinary Way and Jim Powers of Sugarbush Court for helping me in early August and cleaning up the sand on all the walkways and trimming the over hanging branches over the walkways.

In early September the entire parkland walkway was cleared of soil, sand, and grass that had grown over the walkway and, in some places, reduced it to just a few inches of asphalt. When the weather is not so hot, certain areas will be seeded and covered with straw. Enjoy your walk - your annual dues at work.

Al Meyer

Trash from Parties in the Park

On September 15 one of our neighbors discovered about 20 empty beer cans near the Bromley Court bridge. Please help us keep our neighborhood and our teens safe from illegal use of alcohol by *notifying the police if you are aware of such activities in our common areas.*

NOVA Parking Issue

Now that the Northern Virginia Community College students have returned to their fall classes, please keep an eye on any impact on our neighborhood from students parking beyond our designated restricted areas. If you begin to see students parking in front of your home, please note the days and times, take photos to document the problem, etc. We are willing to push the county to enlarge the Restricted Parking Permit District if it becomes necessary, but we will need your testimony and evidence to do so.
