RECITAL

The 3rd annual Derby Dance Company Spring Recital is scheduled for May 30, 2026. It will be held at Derby High School at 2pm. The theme is "A Moment in Time: Dancing Through the Decades". It will take us on a fun journey through the evolution of music and dance.

The last day to enroll or opt out of the recital is February 28th. All classes participate in the recital with the exception of tumbling, acro, ballet, conditioning/flexibility and senior leaps and turns. All combo classes DO participate in the recital!

Costume fees will be added to accounts on March 1st. The cost of costumes is \$75/costume (plus sales tax) for combo and junior level classes and \$85/costume (plus sales tax) for pre-teen and senior level classes. These costumes are not rentals, they will be yours to keep!

A \$35/student recital fee will be added to accounts on April 1st. This recital fee will cover a recital t-shirt for each participating dancer and two tickets for admission (per family) to the recital. This fee covers the cost of the required shirt and rental of the facility.
