RedRings

About Us

Redrings Kozmetik Ambalaj San. ve Tic. Ltd. Şti. was founded on 2011 in Istanbul.

Redrings Kozmetik is a global company in the health and beauty care industry. Redrings Kozmetik produces PVC and Paper packaging for big potential companies. Redrings Kozmetik's array of beauty & personal care products include cotton buds, cotton pads, cotton wools, ear plugs, tooth polish, tooth paste, mouth wash, mouth spray, tooth brush, first aid strips & plasters, lice repellent shampoo, natural bath accessories, intime gel, bar soaps, shampoos, personal care products (tweezers, nail clippers, manicure scissors, nail file, foot file etc...). Our personal care products has expanded its presence globally to over 40 countries through our distributors and through international retail markets, national markets, pharmacies, hair and beauty salons, drugstores, hotel markets and gas stations market.

Our products are manufactured in our plant that is certified by ISO 9001:2008, EN ISO 13485:2012 Quality Management Certificate and GMP We produce private label products based on global market demands.

Vision

To be the first choice for personal care products in the world.

Mission

Our Mission is to improve the quality of life of our consumers with our products & our services everywhere they live. "Do it better than anyone else"
