---

Dear Parent or Guardian,

Our records indicate that your child has been recently seen in an emergency room. Although Catawba Pediatric Associates warmly embraces every opportunity to see your child, we understand that there are times where you may feel like you need to seek emergent care for your child. As your primary care physician, it is important that we stay involved in your child's health. Therefore, we strongly recommend that you utilize our services during office hours and during after hours via our nurse triage line. As a friendly reminder, our office and phones are open Monday through Friday 7:50 a.m. to 5 p.m. and Saturday through Sunday 7:30 a.m. until 11:00 am or until all sick patients are seen. If we have unfortunately missed your call during these hours, your call will be answered by our nurse triage line.

As always, we thank you for trusting Catawba Pediatric Associates to care for your child. We look forward to getting re-acquainted with you and your child!

Sincerely,

Catawba Pediatric Associates
