Our Services

Military Aviation

For over 30 years we have produced and stocked parts for the US Military for such aircraft as the C130 , CH47 , F15 and more.

Commercial Aviation

As a long-term vendor of Northrop Grumman Space Systems, we have had the pleasure of working on various Commercial aviation projects over the years.

Industrial

As we started as a small job shop we still find ourselves innovating and challenging ourselves with Industrial projects for City and State agencies.

Our Vision

"Our vision is to become a leading spares company, recognized for our innovative solutions, exceptional customer service, and commitment to the future. To create a positive impact on the industry through continuous growth, collaboration, and adaptability, We strive to exceed the expectations of our customers"

Our Mission

Our mission is to provide safe, reliable, and efficient aviation parts to our customers while upholding the highest standards of professionalism, integrity, and customer satisfaction. We are dedicated to delivering exceptional experiences,
