

With your generous assistance, the Assault Amphibian community will be represented at the National Museum of the Marine Corps within Semper Fidelis Memorial Park.

A few Trac'rs from this extraordinary, and USMC mission defining community, are working on the development and installation of a monument, and we need your support!

Donations of all amounts will help bring this memorial to life.

For a \$100,000 donation, you will receive top and center recognition on a donor plaque as well as an engraved brick. For all donations of \$1,000 or more will be memorialized on a second donor plaque. Additionally, donor Bricks can be purchased and inscribed for \$300.00, and will be placed in proximity to our monument. (see brick donor form)
