## CERTIFICATIONS

## EXECUTIVE SUMMARY

Patriot Power Electrical LLC is a Georgia-based veteran and minority-owned electrical company. Our goal is to provide high-quality electrical solutions to the local markets of Georgia, and beyond.

Our comprehensive solutions serve both residential and commercial needs—from simple wiring and repairs, to complex installations and electrical design solutions. Our highly skilled and certified electricians bring years of experience and dedication to their roles, while also being knowledgeable in implementing and executing cutting-edge technology. This ensures that we offer effective, sustainable, and safe electrical solutions to every client.

Our commitment to outstanding service means that our top three priorities include: safety, timeliness, and clear communication. This ensures that our clients are always both informed and satisfied with the progress of their projects. Additionally, we strictly adhere to industry standards and our work is compliant with all local and national electrical codes. We also have, and continue to be proactive in adopting energy-efficient and environmentally-friendly practices.

With every project we take on--big or small, our aim remains the same--to deliver exceptional, dependable, and cost-effective electrical solutions to our clients. Our unwavering commitment offers you the best that the electrical services industry has to offer. Choosing Patriot Power Electrical, LLC is not just hiring an electrical services company--rather, you are partnering with a team that is fully committed to powering your success.
