## 2018 Fall CSCAA Scholar All-America Teams

---

January 22, 2019

**Colorado Springs, CO** - The College Swimming and Diving Coaches Association of America (CSCAA) has selected a record 713 teams from 460 institutions to the Scholar All-America Team for the Fall 2018 semester. The teams were selected by the CSCAA's Scholar All-America committee on the basis of their Fall grade point averages and represent 16,502 student-athletes.

Thirty-three teams achieved Scholar All-America status for the first time, reflecting the continued growth of swimming and diving. "The narrative is that swimming and diving is on the decline, but in reality, colleges and universities have added 100 teams since 2015," according to CSCAA Executive Director Greg Earhart. "Presidents and athletic directors recognize that swimmers and divers are excellent students and ambassadors for their institutions."

To earn the honor, teams were required to post a GPA of 3.0 or higher for the Fall Semester and maintain a roster of 12 or more student-athletes.

Founded in 1922, the College Swimming Coaches Association of America (CSCAA) – the oldest organization of college coaches in America – is a professional organization of college swimming and diving coaches dedicated to serving and providing leadership for the advancement of the sport of swimming & diving at the collegiate level.

The following schools in the New England Intercollegiate Swimming and Diving Association have been honored as a CSCAA Scholar All-America Team for the Fall of 2018:
