AWARDS

Diving awards will take place after the first event of each Finals session on Saturday and Sunday. It's preferred that Swimmers & Divers are in team apparel during the award presentation.
- All awards will be presented by the coaches of the championship. Award designation will be established by a sign-up sheet. Any missing event award presenters will be decided upon by the Meet Committee and communicated to each member institution prior to the start of the meet.

Conclusion of the Meet Awards

- Senior High Point Award
This award is given to the male and female senior who has accumulated the most points through competing in individual events over the course of their career at the championship meet. There are two categories of awards: Division I and II; and Division III and Club Teams
- Swimmer and Diver of the Meet
The male and female Swimmer and Diver of the meet award are voted upon by the Head Coach of each institution. There are two categories of awards: Division I and II; and Division III and Club Teams. Selection for this award is done through nomination and voting of the Head Coaches: Head Coach Swim/Dive Women's Team will vote for female swimmers/divers; Head Coach Swim/Dive Men's Team will vote for male swimmers/divers. Therefore, if you are a coach of a men's swim team and do not have divers competing at the meet, you do not vote for a male diver of the meet. All swimming nominations must be emailed to: NEISDA@outlook.com by **2:00pm on Sunday**, or via paper by the end of the prelims 400 Freestyle Relay. Prior to the start of swimming finals, all Head Swim Coaches will receive a voting form via email. All Head Coaches need to vote prior to the start of the Women's 400 Free Relay final.
All diving nominations must be handed to Todd Watkins immediately upon the conclusion of the 3-meter diving final. Voting will be done immediately following the nominations.
- Swimming and Diving Coach of the Year
The Swimming and Diving Coach of the Year are voted upon by the Head Coach of each institution. There are two categories of awards: Division I and II; and Division III and Club Teams. Selection for this award is done through voting of the Head Coaches: Head Coach Swim/Dive Women's Team will vote for Head Coach Swim/Dive Women's Team; Head Coach Swim/Dive Men's Team will vote for Head Coach Swim/Dive Men's Team. Therefore, if you are a Head Coach of a women's swim team and do not have a men's team, you do not vote for a Coach of the Year for a men's team. Prior to the start of swimming finals, all Head Swim Coaches will receive a voting form via email. All coaches need to vote prior to the start of the Women's 400 Free Relay final.
- Team trophies or plaques will be awarded to the top two point scoring teams for the women and for the men in the two categories: Division I and II; and Division III and Club Teams.
- These awards will be presented by the Commissioner and/or President of the Association.
