*Where does your money go? There are a lots of costs to putting on a ride like this, and we can typically yield about \$10 / person per registration to the MS Society. Please consider making an extra donation when you register. Our hard working volunteers are doing this for the love of the sport and the passion we have for the MS Society's goals. Please join us in the fight, join us for the after ride party, and support our sponsors who support our community. Thanks!*
