

CHALLENGING MEALTIMES?

- FREQUENT MELTDOWNS
- CAN ONLY EAT AT HOME
- FRUSTRATED FAMILY MEMBERS
- STILL WAITING FOR HIM/HER TO "GROW OUT OF IT"?

**Does your child resist certain foods?
Concerned about your child's
health and nutrition?**

Building Bridges offers a specialized feeding program to help.

Our occupational therapists take a safe, fun, approach to feeding, so kids enjoy eating.

Individual, group and intensive therapy options using the Toomey Sequential Oral Sensory (SOS) And Beckman Oral Motor Techniques,

**Free phone consultations available
