Terms of Agreement

By applying for membership, I agree to abide by the Protein Highway bylaws as outlined in Article IX, Section 6 of the Protein Highway Bylaws

Section 6. Termination. Membership in the Association may be terminated for cause. Sufficient grounds for cause to terminate membership include, but are not limited to, a violation of the Bylaws, Code of Ethics or any rule or practice of the Association, or any other conduct prejudicial to the interests of the Association. Termination shall be by an affirmative vote of two-thirds of the entire Board of Directors, provided that a statement of the charges has been sent to the member by certified mail to the last recorded address of the member at least thirty (30) days before final action is to be taken. The statement of charges will be accompanied by a notice of the time and place of the Board of Directors' meeting at which the charges will be considered, and the member may appear in person and/or be represented by counsel in order to present any defense to such charges before the Board of Directors takes final action. In addition, the membership of any member who becomes ineligible for membership or who is more than ninety (90) days in default in the payment of any dues or charges will be terminated automatically. In special circumstances, such termination may be delayed by the Board of Directors. All rights, privileges and interests of a member in the Association cease upon the termination of membership.
