

TED RYAN

DIRECTOR

Ted is a Director at OmniTax Professionals. He has over 23 years of tax experience, and prior to joining OmniTax Professionals, he has held senior tax positions at QIC and Energex, and also has experience as a tax adviser at a Big 4 accounting firm.

Ted provides tax advice to his clients on a diverse range of matters including in relation to the establishment of new fund platforms and products, structuring for the acquisition and divestment of businesses and investments, performance of tax due diligence, internal stakeholder management and reporting, governance and risk management. He also has significant experience in managing all tax compliance and filing obligations of his clients (both in Australia and overseas), including large multinational organisations (listed and unlisted), mid-market businesses, small businesses and family offices.
