

Tax Professional

About the Firm

OmniTax Professionals is a firm dedicated to providing quality tax services. The firm is comprised of a team of tax practitioners with significant experience who apply a fresh approach to meeting their clients' needs.

About the Role

We are looking for two diligent and career driven tax professionals to join our high performing and expanding team. You will be employed on a full-time or part-time basis and will be based in Brisbane (QLD).

As a tax professional within the team, you will focus on your area of expertise, which may include:

- Strategic advice on tax and structuring implications relevant to mergers, acquisitions, disposals, refinancings, IPOs and restructures;
- Management of tax and investment structure positions of family offices, ultra-high net wealth individuals, and closely held investment bodies.
- Due diligence exercises and transactional support for both buy-side and sell-side and restructure scenarios;
- Advice on inbound and outbound investments including consideration of matters such as thin capitalisation, withholding taxes, tax treaties, TOFA and CGT;
- Consideration of stamp duty implications relevant to transactions and other arrangements;
- Liaison with regulatory bodies on various matters including ruling applications, compliance reviews, audits, settlements and other submissions;
- Liaison with financiers, legal advisers and other stakeholders relevant to transactions, including documentation analysis;
- Modelling cashflow and tax outcomes from investment structures relevant to proposed transactions;
- Preparation and/or review of tax lodgements including for income tax and GST;
- Preparation and/or review of calculations and disclosures in trust distribution statements;
- Preparation and/or review of FIRB lodgements/submissions;
- Preparation and/or review of information reporting and tax transparency materials;
- Preparation and/or review of tax balances for statutory financial reporting purposes

The successful candidate will have a minimum of five years of experience as a tax professional. Tertiary qualifications in Accounting and/or Law with completion of the Chartered Accountant program will be highly regarded. Further, the successful candidate should have excellent attention to detail, a solution-based mindset and also have good communication skills.

The salary arrangements for the successful candidates will be agreed depending on their credentials and experience.

Benefits of the role will include:

- Competitive remuneration and incentive structure;
- Flexible working options;
- Regular training and learning program;
- Financial support for your career growth and development;
- Leadership team with significant experience, including previously in a 'Big 4' environment;
- Opportunity to work on a diverse range of work;
- Flexible leave structure;
- Modern CBD office with end-of-trip facilities;
- Open communication and feedback structure;
- Focus on employee wellbeing.
