

ALL the girls need to get certified to officiate at the tournaments. Below is the information this needs to be completed before January 6th!! Print your certificate and give it to your coach. We will always have to officiate at tournaments throughout the day. As a club I want all the girls to be together during the team refereeing assignment. You will always ref if you lose at the end of the tournament play I expect all girls to stay until the refereeing assignments are completed. Refereeing assignments is part of our responsibilities at tournaments and if we do not fulfill our refereeing assignments we will be penalized.
