Dear Fellow PNW Business,

Hello, my name is Lesley Kratzer, and I'm excited to introduce you to Skagit BigFoot Fest, a small business with big ambitions. Our founder, Marla Chapa, started her networking group, Skagit Social, to connect with her community after serving in the U.S. Navy. What began as a small group of neighbors quickly grew into a thriving network of over 500 small businesses focused on keeping our community strong and prosperous. This group's events quickly grew beyond Marla's expectations and she had to get creative. Thus was born, Skagit BigFoot Fest.

Last year, we hosted the first-ever Skagit BigFoot Fest, and it was a huge success. Now, why Bigfoot? Well because he is WILD just like Skagit, and he BELIEVES in being the good in his community. This year, we're taking things to the next level with nearly five times as much time to plan and prepare. We aim to put Skagit on the map for more than our gorgeous Tulips, and we're inviting like-minded businesses to join us on this exciting journey.

Skagit BigFoot Fest 2023 will take place on September 29th 12 N - 10 PM and 30th 11 AM - 10 PM at the Skagit County Fairgrounds in Mount Vernon, Washington. With two stages and a busking corner, room for over 100 vendors, food truck row, a killer VIP experience, a film festival showcase, and more. This year's festival promises to be bigger and better than ever before. We're not just about having fun either - we're also partnering with Children of the Valley and Camp Korey to raise donations for our local youth! The kids of this community are the future of this community.

To make this event truly spectacular, we need your help. As a sponsor, you'll have the opportunity to partner with us and bring joy to our community for years to come. We've included information on our sponsorship tiers on the following pages, and are happy to answer any questions you may have.

Thank you for considering this opportunity. We hope to hear from you soon and look forward to partnering to create an unforgettable event that benefits our community.

Respectfully,

Lesley Kratzer - Event Coordinator
