

# Golden Tech Systems Inc.

*Making IT Work*

SBA 8(a) Firm #308163

**Mission Statement:** To empower DoD agencies with solutions that redefine value and accelerate growth

## ➔ Key Differentiators

Golden Tech Systems has been providing technology solutions and staff augmentation services for state agencies and Fortune 100 clients since 2007. We are proud of our partners in uniform and understand the mission of the warfighter. Our engineers and consultants will go above and beyond to meet this mission, and to align our core competencies to protecting and strengthening national security.
