

Eco Dyeing **SILK SCARF** Class

Monday November 17th, 10 am to 3pm.

8 spots available @ The South Store Café

\$65 /per person

Each participant will be given **Two, 100% Silk Scarves** to dye. **11 x 60 inches each.**

Participants are encouraged to bring anything organic that they think will leave a color or pattern. (Flowers, leaves, berries, etc. i.e. onion skins, blueberries, orange peels etc.) Although we will have a lot of materials and organic dyes will be provided.

How it works: Participants will layer organic materials onto the scarves; then roll them up and steam for 1 and a half hours. In the meantime, we break for a [soup and salad lunch provided by The South Store Café!](#) We will have board games and cards to pass the waiting time.

Then we will unwrap them, and see our magic!!

It's wise to wear clothing that you aren't worried about possibly staining or bringing an apron to wear.

This is a FUN class to participate in and requires NO previous experience or knowledge.... just expect to have FUN!
