

SERAC IS HIRING

If you're a team player with a keen interest in mineral exploration and looking to advance your skill set, then we want to connect with you about joining our team for 2024.

Serac Exploration is a mineral exploration services and consulting company. We manage and operate exploration programs, provide exploration solutions, and produce a wide variety of GIS and digital media products for our clients.

To learn more about us visit our website at www.seracx.com

Serac's projects typically involve being based in small towns and/or remote field camps within the Americas, with rotations ranging from three to four weeks. Outside of field work, we offer a decentralized work-from-home style office. Serac is committed to maintaining a safe, inclusive, and healthy working environment for all contractors and employees. Some positions may involve traversing rugged terrain and/or lifting heavy objects (up to 50 lbs.)

OUR AVAILABLE POSITIONS

- **Project Geologist:** Experienced team leaders, assisting in planning and executing projects, and can be involved in desktop studies, reports, and geological modelling.
- **Geologist:** P.Geos and GITs with a university degree that enjoy working within a team to collect data and execute exploration program objectives.
- **Assistant Geologist / Geotech:** Earth science students and new graduates looking to gain or build on industry experience and support the geological team in running programs.
- **Field Assistant:** Skilled workers and university/college students that aren't necessarily geoscience focused, but have an interest or skillset tuned to mineral exploration.

What can Serac Exploration offer you?

- Opportunities for growth and mentorship from Serac's established exploration team.
- Inclusive, collaborative, and team-oriented work environment.
- Opportunity to work on a variety of commodities and projects across the Americas.

Serac Exploration Ltd. is an equal opportunity employer committed to employment equality and fostering a work culture that supports personal and professional development.

HERE'S HOW TO APPLY

Send us a cover letter and/or CV to info@seracx.com and in the subject line let us know what position(s) you are applying for.
