

KNOTTY BY NATURE

MEMBERSHIP INFORMATION

DUES

KBN is a collective run organization.

Our goal is to make circus/performance /third space more accessible.

We are always honest about our overhead operating expenses and how member dues are used.

Membership tiers are **100% self-directed** and **can be adjusted at any time.**

No matter your financial situation, we try our best to let you take a bite of our pretzel!

Choose your tier based on which of these statements speak to your current financial situation:

Tier 3 | \$50/mo

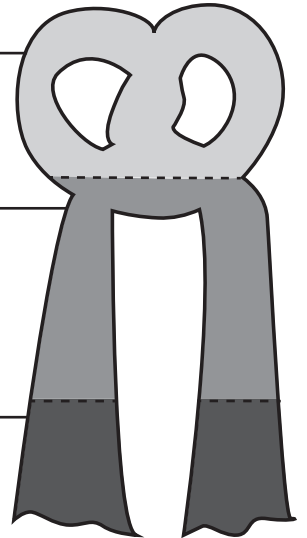

- I comfortably achieve my basic needs and have an ample emergency fund saved.
- My choices are not limited by my income.

Tier 2 | \$35/mo

- I regularly achieve my basic needs and have enough in savings to handle some unexpected situations.
- I have expendable income for things like lattes and a nice brunch.

Tier 1 | \$20/mo

- I regularly achieve my basic needs, but unexpected expenses are a challenge.
- What is expendable income?

SCHOLARSHIP

***If you are not regularly achieving basic needs, KBN does have a certain number of scholarships available. Indicate your interest in one of these scholarships on your new member questionnaire and we will provide you with more information.**

**** If you are comfortable purchasing a \$50/mo membership, we offer a deal where you can pre-pay for 4 months for only \$150. (Buy 3, get 1). This helps us get a larger chunk of funds earlier to help with things like equipment and rentals, and also helps you!**
