**Port Jefferson Senior Prom, Inc., a 501(c)(3) nonprofit organization, maintains a 60 year legacy of fostering community volunteerism.**

**This annual event is unique because it rallies parents of graduating students and engages community members to build a one-of-a-kind prom venue in the high school gym.**

**It is a heartfelt gesture from the entire community and a beautiful example of how collective effort and generosity create cherished memories for all who take part in the Prom.**

**See the magic - July 1, 2024**
