## Antonine Sisters

January 12, 2026

Dear Supporters and Friends,

Our annual fund-raising event, *Guild of Saint Anthony Dinner*, is scheduled to be on April 11, 2026. It is a special event dedicated to supporting and improving the lives of the elderly we minister to, with a focus on those affected by Alzheimer's disease.

As you know, Alzheimer's disease and aging-related challenges affect millions of families. Many elderly individuals who come to our Antonine Sisters Adult Day Care require much care, social support, and community assistance to maintain their dignity and well-being.

Your support and generous donations will sustain our endeavors and ministry and will contribute to programs that directly benefit seniors and their caregivers. Your donation will greatly help to improve the quality of life of those we serve daily.

**I invite you to become a valued sponsor and join us, Antonine Sisters, in making a lasting impact.** Your sponsorship will not only demonstrate your commitment to social responsibility but also provide your family or business name and logo with visibility among a considerable audience. The enclosed sponsorship form is to be used if your family or business would consent to sponsoring our event. **Your support would be greatly appreciated.**

Your family name or business name/logo will be listed on our event sponsor placemats as indicated for each level of sponsorship, as well as on our website and our newsletter. **Most of all, you will be remembered in our daily prayers.** If you know of a business or individual who may be interested in sponsoring, please pass the form on to them.

We thank you in advance for your generosity and we ask God to reward you abundantly.

*Sr. Samia A. Shakra*
