

April 10, 2021

Good day!

Thank you for your interest in being a vendor for the 2021 Red Lion Run! We are excited to be able to run our Car, Bike and Truck Show and even more excited that you are looking to be a vendor. Our charity is [Food for Thought](#) and they help an enormous number of children throughout the school year.

There is no charge for your spot – all we ask is that you donate to the Italians of America for our Charity “Food for Thought”, or you can donate directly to “Food for Thought” at their booth near the food tent at the event.

From the registration perspective, the Italians of America are attaching the form that Denver has asked us to provide every vendor, the [Application for Tax Form](#). There is additional information on the [special event website](#), under the Treasury section for vendors.

Our vendors can arrive any time after 6:30 AM, but we are asking our vendors to be setup by 8 AM and setup in the Leprino Foods Parking lot – there will be an area set aside for vendors. You can park along Quivas Street as well as 37th while you are at the event. If you require more than a 10 by 10 spot at the event – please let me know, and if you need access to electricity – let me know that as well.

Additionally, can you please fill out the section below and get it back to me as soon as possible, this way I will have your contact information!

Thank you again for your interest!

Warmest regards,

Dr. Rita DeFrange (ritadefrange@gmail.com)

Orator – Italians of America
