

Maple Meadows Farm

Congratulations on your engagement.

We are honoured to be considered as your venue choice. The barn at Maple Meadows offers the rustic charm of original 1840's post and beam construction and is set on a family owned and operated organic farm in Port Colborne.

Renovated in 2018 the barn accommodates up to 200 guests and offers two ideal rooms for the whole wedding party to get ready for the day, a loft mezzanine, and a rustic tack room. The barn features indoor washrooms, a mobile bar, a prep room for your cater.

Say your vows surrounded by family and friends under the maple trees in a beautiful 2-acre lawn space. After the ceremony enjoy the space for cocktails, photos, or games. Gorgeous gardens border this area with a view over the pasture that has a few horses and a little donkey named Gus who is happy to greet your guests. The barn features an outdoor courtyard or an indoor ceremony area insuring a beautiful space regardless of the weather.

If you are interested in a tour of the venue or would like additional information contact us at events@maplemeadowsfarm.ca
