

Maple Meadows Farm

Event Centre

Congratulations on your upcoming wedding.

We are excited to announce that given the resounding success of our tent weddings in the past two years we are now in the process of restoring our 5000 sq ft. century barn for events beginning Spring 2019. Our event season for the completed barn will be May 1st, to October 31st.

The barn built in the 1840's is now under renovations and will offer "original post and beam" construction. We have already secured our city zoning and have a wonderful engineer to work with for the restoration. A truly remarkable barn, Maple Meadows will offer both his and hers ready rooms, a "loft" mezzanine, bathrooms, tables and chairs, lighting, portable bar and lots of props if needed free of charge for DIY decor.

There is a beautiful rustic green space approx. 2 acres that is presently being used for ceremonies and tented weddings. It is bordered by huge maple trees with a gorgeous view over the pasture. Our barns, gardens and fields make lovely backdrops for photos. A few horses and a little donkey named Gus are happy to greet your guests and the shady lawn is perfect for guest to enjoy a few games or cocktails.

Catering is open for your choice and you are welcome to bring in your own alcohol with a Special Occasion Permit (35.00 from LCBO online).

A list of wonderful local companies that specialize in event/wedding, catering, music etc. is available if needed or as a certified wedding planner I would be happy to help arrange some of the details for you.

- Music turn off is 11 pm, with guests being asked to be off the property by 12 pm.
- The wedding party is allowed to remain until 1 am, as long as noise is kept to a minimum.
- Maple Meadows has flower cutting gardens for your DIY bouquets (3 pails of fresh cut in-season flowers are included in rental) or we can help you plan and create fresh bouquets, centrepieces, garlands, etc. at a reasonable rate.

2020 Rental is \$6,000.00 +hst (If booked by Sept 2019) of 200 people, includes 3 day exclusive access Friday 8am-12pm, Sat 8am- 12pm, and Sunday 9am - 2pm.

Please feel free to give me a call 905 834 9136 or contact us at maplemeadowsfarm@gmail.com if you would like any additional info. We would be happy to have you tour the property

All my best
Laurie Pye
