

Fountas & Pinnell Classroom™

Summer School 2021

SUGGESTED 4–6 WEEK PLAN

We believe that teachers make the difference in the literate lives of students, whether together in classrooms or learning from a distance this summer. The Fountas & Pinnell Literacy™ team developed suggestions and guidance for educators planning to use *Fountas & Pinnell Classroom™* resources for summer school learning. As you use these summer school suggestions, choose the suggestions that work best for you and your students, your teaching environment and your school/district plan. Below are suggested text sets for FPC Interactive Read-Aloud (IRA) and Book Clubs (BC), as well as suggested Reading Minilessons umbrellas that align with the suggested text sets from IRA and BC.

In order to build coherence and help children make deeper connections across and within books, the themes of the IRA and BC text sets are connected. A daily Phonics, Spelling and Word Study lesson is recommended.

Grade Kindergarten

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
IRA Text Set:	Understanding Feelings	Understanding Feelings	Sharing the Earth: Animals	Sharing the Earth: Animals	Eric Carle: Exploring the Natural World	Eric Carle: Exploring the Natural World
