Welcome to Signature Brows & Skin Care. Founded and developed by Sanju Sapkota, a woman determined to not only chase a dream, but to make fate a reality. With over 19 years of experience, Sanju aimed to break all generational expectations and venture out to secure her own business. But don't be misled, it takes a village! With the help of her family and friends she is proud to bring Signature Brows & Skin care to the world. It opened its doors to the Downey, CA community in 2018 and has made history since servicing thousands of clients from all walks of life.

Since the opening of its doors, the team has grown with multiple talented individuals to keep up with demand and we are beyond grateful to all of our clients that have sat on one of our chairs to be pampered with our services.

What started with just an eyebrow threading venture has grown to now offer an array of brow and skin care services.
