

# Jonas T. Aviza, DDS

---

Dear Patients and Friends,

## **After 37 years of dentistry, I am announcing my retirement.**

It has been my pleasure and honor to have provided dental care for you and your families—some for three generations! I look back with fondness and pride for what we have accomplished together. I started my practice in 1983 and it has since grown to serve over 2,000 patients; I'm so grateful to each and every one of you for choosing me as your dentist. Thank you.

I realize this is a very uncertain time, however, please be assured that your health and safety is always our top concern. We have in the past and we will continue to provide meticulous infection control protocol for each and every dental procedure.

I am thrilled to introduce Dr. Michael Ambra, who will assume my practice. He is looking forward to owning his own practice and is ready to care for all of you. For the past 7 years Dr. Ambra has treated patients at Alliance for Dental Care in Rochester, New Hampshire. He received his Doctorate of Dental Medicine in 2012 from Tufts University and completed his Advanced Education in General Dentistry at the Togus Veterans Affairs Medical Center in Augusta, Maine. He and his wife, Erica, have two children, ages two and four.

I'm very confident that Dr. Ambra will be a great fit to take over my practice— we share the same philosophy of treatment and standard of care. He is a caring and compassionate professional who is extremely well skilled in all phases of dental treatment and diagnosis. I am confident you will be cared for and pleased with Dr. Ambra.

Rest assured: John and Bonnie will continue to assist you at the front desk. Our skilled hygienists, Sue and Lisa will continue to serve you. Nicole will assist Dr. Ambra. From April 24, 2020 forward, your confidential medical records will be maintained by Dr. Ambra at 1 Pillsbury St. Concord, NH 03301. If you have any questions, please call the office at 603-226-2995.

Thank you again for your kindness, loyalty, and trust. I will be in the office for the next few weeks. I wish I could say good-bye to each and every one of you. It has been an honor to have been entrusted with your care. Please know you all have my best wishes for the future. Hope to see you around Concord,

Dr. Aviza
