CORK'S KETTLE CORN

- OUR PURPOSE -

50% of the proceeds go to the organization performing the fundraiser because we believe what they're doing is important to improve our community!

- ABOUT US -

We started Cork's Kettle Corn in 2004 with a small portable kettle set up at our local farmers market in Statesboro, GA. It has been a family project from the beginning. We still pop it one small batch at a time and we love bringing happiness to all those that share our passion for popcorn.
Enjoy! The Cork's
