MISSION STATEMENT

We, the people of Sacred Heart Parish in Pahoia, Hawaii, strive to be a community of faith. We believe we are called by God to be disciples of Jesus Christ and to be good stewards within the Church and our local communities

We are called to praise and reverence God, to support one another on our journey of faith, to work for the salvation of our souls, and to labor for peace and justice. By the grace of God and the power of the Holy Spirit, we do this by communal liturgical worship, faith sharing, ongoing faith formation, stewardship, outreach ministries, and by selflessly giving of our time, talent and treasure.

Cannot Marry in the Catholic Church Due to A Prior Marriage?

Pope Francis streamlined the process to petition for a declaration of nullity to make the process shorter. He also eliminated the mandatory fee. If a person is able to prove in this process that their prior martial bond was invalid for some reason, that he or she can marry in the Catholic Church or validate a current civil marriage. For assistance in petitioning, you can contact *Sharen Chaves, Ruth Statler or Jim and Jan Manion* at 8089658202. They will assist you as an advocate.

Sunday Connection

Luke 9:28-36

Jesus is transfigured on the mountain in the presence of Peter, James, and John.

Elijah and Moses are both significant figures in the history of Israel. Moses led the Israelites from slavery in Egypt and received from Yahweh the Ten Commandments. Appearing with Jesus at his Transfiguration, Moses represents the Law, which guides the lives of the Jewish people. Elijah is remembered as one of the most important prophets of Israel who helped the Israelites stay faithful to Yahweh. Some believe that Elijah's return would signal the coming of the Messiah for the Jewish people. This belief is evidenced in the question posed by Jesus' disciples after they have witnessed the Transfiguration. The appearance of these two important figures from Israel's history indicates Jesus' continuity with the Law and the prophets. They also reveal that Jesus is the fulfillment of all that was promised to the people of Israel.

In his Transfiguration, we see an anticipation of the glory of Jesus' Resurrection. The disciples' are confused as they wondered what Jesus meant by "rising from the dead." Until they also witness his passion and death, the disciples cannot possibly understand Jesus' Transfiguration.

We see in this event an anticipation of Jesus' Resurrection, a foreshadowing of Christ's glory in heaven, and the promise of our own resurrection.

19th Sunday in Ordinary Time

Am I waiting for the ‘right’ time to become a good steward? Do I plan to share my time and talents :Later”? Today’s Gospel warns those who are procrastinating about stewardship to be prepared --at an hour you do not expect, the Son of Man will come.”

POPE FRANCIS PRAYER INTENTION

August

Small Businesses

We pray for small and medium sized businesses; in the midst of economic and social crisis, may they find ways to continue operating, and serving their communities.

SIX LITTLE STORIES WITH LOTS OF MEANINGS

- (1). Once all villagers decided to pray for rain. On the day of prayer, all the people gathered, but only one boy came with an umbrella. That is faith.
- (2). When you throw babies in the air, they laugh because they know you will catch them. That is trust.
- (3). Every night we go to bed without any assurance of being alive the next morning, but still we set the alarms to wake up. That is hope.
- (4). We plan big things for tomorrow in spite of zero knowledge of the future. That is confidence.
- (5). We see the world suffering, but still, we get married and have children. That is love.
- (6). On an old man's shirt was written a sentence 'I am not 80 years old; I am sweet 16 with 64 years of experience.' That is attitude.

Have a happy day and live your life like these six stories. Remember - Good friends are the rare jewels of life, difficult to find and impossible to replace!!

Marriage Preparation Requirements

1st meeting: The couple needs to meet and do an interview. Couple will meet together and separately with pastor or designated person. You will be provided with Engagement Encounter registration information. Couples must procure from their church of baptism a new baptismal certificate with notations. Circumstances regarding couples’ status for marriage will be discussed and proper steps initiated hence forth.

IMPORTANT: The date for the wedding is to be set after the Engagement Encounter class requirement is fulfilled.

2nd meeting: You get acquainted with the presider who will officiate. Completion of the following to take place: Premarital Inventory, discussions on marriage, quality of the relationship, spiritual and religious practices, and family.

Meetings to follow will depend on how much more discussion is needed for the couple and being sure all forms have been complete.

Engagement Encounter Certificate is a requirement and must be presented after completing the class.

Marriage license acquired before the wedding date.

Catholic Charites 2nd Collection

Catholic Charities Hawai'i (CCH) has been operating the largest federal social service program for the State of Hawaii in the rental relief programs. CCH created and built this program from the ground up on a massive scale by sourcing new staff, services, and technology, implementing new fiscal practices and procedures, and implementing brand new cloud-based technology. Not only did CCH distribute over \$100,000,000 in CARES Act and Emergency Rental Assistance funds to over 12,000 households statewide in one year, but it was also recognized as part of the top 10 programs in the country.

Your charitable donation to Catholic Charities Hawaii enables us to deliver a hand up- not a hand out -to those who need it most. When you give to the special Catholic Charities Sunday offering, you can be assured that every penny stays on Hawaii Island to help our local neighbors in need.

IMPORTANT **FAITH FORMATION** **Year 2022-2023**

Faith Formation is the new name given by the diocese of Honolulu for what was previously call the Religious Education Program. With this new title comes a new order of organization.

It is now established that all children ages 7 and above are confirmed and received 1st Holy Communion. These students will flow to faith formation under the direction of Maila Naiga. If the child/children is 13 or older they will be directed to the Youth and Young Adult with Anna Manalo as their leader.

If the child is 6 years old and older, he/she needs to receive lessons in order to receive sacraments of Confirmation and 1st Holy Communion. He/she will be in a class with Sharen Chaves and Janet Manion.

If you are unsure about what you should do and have questions regarding where your child should go, speak to Sharen Chaves.

Rectory Repair

On going much needed repairs to our rectory is currently happening. Thank you to all these hardworking men doing their part being stewards sharing their God given gifts.

A Brute-Force Strategy for Cataloging Members of Open Clusters

Open stellar clusters are young (generally one Gyr and younger) and coeval (formed in single events from a distinct molecular cloud) groups of stars that are gravitationally bound. Thus, they are among the best candidates for providing precise information on both the ages and chemical compositions at various spatial positions in the Milky Way disk. In addition, they play an integral part in the understanding of stellar evolution and assist us in ascertaining the history, structure, dynamics, and chemical evolution of the Milky Way. Recent work by Karla Peña Ramírez (U. of Antofagasta) led to the development of new analysis tools that allow for an increase up to 50% of known stellar members in open clusters located in the bulge and in the disk. This has a significant impact on the derived fundamental parameters, such as extinction and total mass. Motivated by this work, we studied a sample of two dozen open clusters using photometric and astrometric data from the Gaia Data Release 3 (DR3), complemented by near-infrared data from the Vista Variables in the Via Lactea Survey (VVV) and the Two-Micron All-Sky Survey (2MASS). The technique used was based on Gaussian mixture models and unsupervised machine-learning methods, which allowed us to identify the members of each cluster. We first performed a reanalysis of the membership in a previous study made by Peña Ramírez et al., in order to reproduce results and confirm adequate performance of the computer code used in our study. Alterations were then made to portions of code to broaden the extent of their collective cluster-cataloging ability. This approach to cluster-member selection allows for a large-scale evaluation of the Galactic plane, serving as a valuable tool for assessing cluster populations and testing of stellar evolutionary models.

Xavier was born and raised on the Big Island of Hawai'i. He graduated from Pahoa High School and is currently enrolled at the University of Hawai'i at Hilo pursuing degrees in Astronomy and Physics. Xavier intends to be an astrophysicist, study the cosmos and inspire others to do the same for the improvement of humanity.
