**MISSION STATEMENT**

We, the people of Sacred Heart Parish in Pahoa, Hawaii, strive to be a community of faith. We believe we are called by God to be disciples of Jesus Christ and to be good stewards within the Church and our local communities.

We are called to praise and reverence God, to support one another on our journey of faith, to work for the salvation of our souls, and to labor for peace and justice. By the grace of God and the power of the Holy Spirit, we do this by communal liturgical worship, faith sharing, ongoing faith formation, stewardship, outreach ministries, and by selflessly giving of our time, talent and treasure

## Sunday Connection

[John 2:1-11](#)

Jesus performs his first sign at a wedding feast in Cana.

Today's gospel reading, describes the beginning of Jesus' ministry and his first miracle. In the Church's liturgical history, the wedding feast of Cana is closely associated with the baptism of the Lord and the adoration of the infant Jesus by the Wise Men. In this context, the sign Jesus performs at the wedding feast is celebrated as an epiphany or a manifestation of Jesus' divinity.

Marriage and wedding feasts are metaphors used in Scripture to describe God's salvation and the Kingdom of God. John's gospel seeks to establish that Jesus is going to re-interpret and fulfill Yahweh's promise to Israel. Jesus establishes the New Covenant. A hint about what this New Covenant will be like is made evident in the deed that Jesus performs. Asked to do something to address the awkward situation that the absence of wine at a wedding feast would create, Jesus' miracle produces vast quantities of wine—six jars holding thirty gallons each are filled to overflowing with choice wine.

This lavish response to a simple human need is a vision for us of the abundance of God's kingdom. It challenges us to respond generously when confronted with human need today. We respond as best we can, fully confident that God can transform our efforts, bringing the Kingdom of God to fulfillment among us.

**Second Sunday in Ordinary Time**

In today's second reading, St. Paul tell the Corinthians (and us) that all of our gifts are from God and that they are given, not for ourselves alone, but for the common good. But the generosity of God know no limits – the miracle at Cana reminds us that whenever we faithfully do as God asks, He can change our gifts or water into wine!

***Saint Joseph School*** December, 2021  
Season's Greeting, family, and friends of  
Saint Joseph School

As interim Head of School for Saint Joseph, I would like to thank you very much for everything you have done for our school to support our school that we are here and thriving. This has been another year of challenges, but I believe our patron St. Joseph is watching over us. It seems very appropriate that 2021 was the year of St. Joseph. And we feel his presence in all the help we have been given, like a good father keeping his children safe.

The school is open to students full-time, and we have done well in weathering the COVID surges that have affected our community. Our school continues to be a good steward of the donations and gifts that our community has given to us.

Enrollment is down a little, but I am very encouraged with new students applying all the time. We are working hard to make St. Joseph School an attractive option for local families.

This year's appeal will focus on some maintenance projects that have been deferred for the last few years. The projects we have are almost limitless, from refurbishing lavatories and gutter repair to overall beautification of the campus. Your financial support is, as always, greatly needed.

We have promised not to forget the support from the community over the years, and we promise to give back to our community whenever possible. Earlier this year our school hosted two adult COVID-19 vaccination clinics for the community and in November we hosted a COVID-19 vaccination clinic for 5-11 year olds and the general public. St Joseph's doors will always be open to help our community whenever needed, just as we have done for the last 150 years.

In this holiday season, when we give thanks for all the blessings we have received, St. Joseph School will give thanks to all of you that help support our school and our mission of supplying a Catholic education to our students.

May you have a blessed holiday season. Give thanks to Christ,
