9-Days for Life 2022 Novena Prayer and Intercessory Prayers (Pray of the Faithful) January 12 – 20, 2022

MISSION STATEMENT

We, the people of Sacred Heart Parish in Pahoa, Hawaii, strive to be a community of faith. We believe we are called by God to be disciples of Jesus Christ and to be good stewards within the Church and our local communities.

We are called to praise and reverence God, to support one another on our journey of faith, to work for the salvation of our souls, and to labor for peace and justice. By the grace of God and the power of the Holy Spirit, we do this by communal liturgical worship, faith sharing, ongoing faith formation, stewardship, outreach ministries, and by selflessly giving of our time, talent and treasure

Sunday Connection

Luke 3:15-16,21-22

Jesus is baptized by John

The baptism of Jesus is considered a manifestation of God in Jesus, another “epiphany.” On this, the last day of the Christmas season, our Gospel reveals to us Jesus' relation to God: the son of Mary and Joseph is also God's own Son. In Luke's Gospel, all three members of the Trinity are manifested here: God the Father in the voice, the Holy Spirit descending, and Jesus the Son. At the beginning of his Gospel, Luke is communicating to us important information about the identity of Jesus. In the verses that follow, Luke lists the genealogy of Jesus, tracing Jesus' ancestry back to the first person, Adam, who is also identified as the son of God. We, the children of Adam and Eve, are again made children of God through Baptism.

Every family has a unique identity that is defined by the behaviors, attitudes, and expectations that govern a family's daily life. This identity is influenced by the family history of the parents, but each family's expression of this history is unique. In today's Gospel, we learn that Jesus' behavior, attitudes, and expectations were governed by his identity as God's beloved Son. In our Baptism, we were made children of this same heavenly Father. This identity as members of the family of God, and as brothers and sisters of Jesus, also shapes our family's daily life.

**POPE FRANCIS
PRAYER INTENTIONS
JANUARY**

For true human fraternity

We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

Feast of the Baptism of the Lord

Today we celebrate the Baptism of the Lord. The U.S. bishop pastoral on stewardship Baptism gives all of His disciples a share in His priestly work and calls them “to offer up the world and all that is in it – especially themselves – to the Lord of all.”

**TYPHOON RAI RECOVERY
EFFORT**

Bishop Larry has given all the churches in Hawaii the option of helping our fellow people in the Philippines by doing a special collection. The needs are great to rebuild, recover and attend to humanitarian efforts.

Here at Sacred Heart, we have opted to do a bake sale on the last weekend of January, commemorating the Feast of the Infant of Prague Sunday. All the proceeds will be donated to The Typhoon Rai Recovery Effort.

Please bring baked goods to sell on Saturday, January 29, 2022 or Sunday morning, January 30, 2022.

**CARDINAL LEGACY FOUNDATION
PRESIDENT'S MESSAGE**

2020-2021 were years in which St. Joseph School, like many other, faced a tremendous amount of adversity as a result of the COVID-19 pandemic and was forced to change its way of operating very quickly, all while facing underlying financial stresses. Thankfully the school was able to persevere with the help of all of its supporters, donors, and hardworking, dedicated teachers, and staff. By all accounts the school was able to carry out another successful year. Largely as a result of the efforts of all the supporters of SJS, revised school board bylaws were adopted, amending the school board to a governing board and a separate Foundation in was founded in support of the School—The Cardinal Legacy Foundation. We are one of only a handful of Catholic Schools in the State with its own Foundation, which gives the school additional investments options for its reserve funds in the hopes that we can both grow and be fiscally sustainable.

We continue to encourage giving by the way of The Cardinal Legacy Foundation or directly to the school.

With all your support we can help St. Joseph School thrive and continue to provide a great foundation for our children for many generations to come.

November, 2021
Season's greetings, family and friends of St. Joseph School,

As the Interim Head of School for St. Joseph, I would like to thank you very much for everything you have done for our school. It is because of your generosity and your willingness to support our school that we are here and thriving. This has been another year of challenges, but I believe our patron St. Joseph is watching over us. It seems very appropriate that 2021 was the year of St. Joseph, and we feel His presence in all the help we have been given, like a good father keeping his children safe.

The school is open to students full-time, and we have done well in weathering the COVID surges that have affected our community. Our school continues to be a good steward of the donations and gifts that our community has given to us. Enrollment is down a little, but I am very encouraged with new students applying all the time. We are working hard to make St. Joseph School an attractive option for local families. This year's appeal will focus on some maintenance projects that have been deferred for the last few years. The projects we have are almost limitless, from refurbishing lavatories and gutter repair to overall beautification of the campus. Your financial support is, as always, greatly needed.

We have promised not to forget the support from the community over the years, and we promise to give back to our community whenever possible. Earlier this year our school hosted two adult COVID-19 vaccination clinics for the community, and in November we hosted a COVID-19 vaccination clinic for 5-11 year olds and the general public. St. Joseph School's doors will always be open to help our community whenever needed, just as we have done for the last 150 years.

In this holiday season, when we give thanks for all the blessings we have received, St. Joseph School will give thanks to all of you that help support our school and our mission of supplying a Catholic education to our students.

May you have a blessed holiday season. Give thanks to Christ,
Matthew Eftink, Interim Head of School
