Aloha to each of the Parish 'Ohana!

THE HOLY MASS CANNOT BE CANCELLED! ONLY ITS PUBLIC CELEBRATION! ... AND ONLY FOR THE TIME OF EMERGENCY!

Be assured that I always offer you and your intentions during my/our Daily Private Masses! You may send your particular intentions in our messages!

WE ARE ALL ENCOURAGED TO STAY HOME FOR THE SAFETY OF ALL,
But if you happen to pass by our church to pay a visit to JESUS in the Blessed Sacrament please keep the "Social Distance" asked of us for each one's own good, and:

- In your charity, please remember to unite your prayers with those of all of us!
- If you see that the Candle of the Holy Cross is lighted, then the Private Holy Mass is being offered at that moment. You may pray the *Chaplet of Divine Mercy* and the *Holy Rosary* (*mighty weapons!*) and pray the Spiritual Holy Communion provided in the Bulletin. Pray the Readings of the Day and other devotional prayers;
- During the Consecration, I will ask the Bell of the Church to be rung. May it be a sign of our being one with the Sacrifice of JESUS on the Cross especially during this moment of uncertainty and anxiety;
- Every after Private Holy Mass, I will bring JESUS in the Blessed Sacrament at the portico to bless our dear Pahoia and all our Islands! We trust that the LORD will deliver us from the menace of this deadly sickness;
- Please pray the *Prayer for Deliverance composed by our dear Bishop* as often as you can, especially with your entire family.

ONLY IN GOD IS OUR ASSURANCE!

HE WILL NEVER ABANDON THOSE WHO TRUST IN HIM ALONE!
