MISSION STATEMENT

We, the people of Sacred Heart Parish in Pahoa, Hawaii, strive to be a community of faith. We believe we are called by God to be disciples of Jesus Christ and to be good stewards within the Church and our local communities.

We are called to praise and reverence God, to support one another on our journey of faith, to work for the salvation of our souls, and to labor for peace and justice. By the grace of God and the power of the Holy Spirit, we do this by communal liturgical worship, faith sharing, ongoing faith formation, stewardship, outreach ministries, and by selflessly giving of our time, talent and treasure.

Sunday Connection

Mark 1:40-45

Jesus cures a person with leprosy, who reports his cure to everyone.

The Gospel begins with Jesus healing a man with leprosy. The Law of Moses provided for the examination of skin diseases by the priests, and if leprosy was identified, the person was declared unclean. The Law of Moses provided for the examination of skin diseases by the priests, and if leprosy was identified, the person was declared unclean. People with leprosy lived in isolation from the community. They were instructed to rip their clothes and to announce their presence with loud cries when moving in the community.

In today's Gospel, the man with leprosy took the initiative, approaching Jesus and asking for healing. In doing so, the leper violated the religious customs of the day by approaching a person who was clean.

Although Jesus touched the leper, he did not break completely with the Law of Moses. The man wanted to share the good news of his healing, and his quick improvement.

Mark's Gospel tells us that after this healing, it became difficult for Jesus to travel freely.

Mark's narrative leads to the conclusion that Jesus' movement was hampered by his popularity. Despite his instructions, the cured man spread the word about Jesus' healing power. Even when Jesus was in deserted places, people sought him out in search of his healing.

St. Valentines Day

By Elizabeth Hanes

The saint we celebrate on Valentine's Day is known officially as St. Valentine of Rome in order to differentiate him from the dozen or so other Valentines on the list. Because "Valentinus"—from the Latin word for worthy, strong or powerful—was a popular moniker between the second and eighth centuries A.D., several martyrs over the centuries have carried this name. The official Roman Catholic roster of saints shows about a dozen who were named Valentine or some variation thereof. The most recently beatified Valentine is St. Valentine Berrio-Ochoa, a Spaniard of the Dominican order who traveled to Vietnam, where he served as bishop until his beheading in 1861. Pope John Paul II canonized Berrio-Ochoa in 1988. There was even a Pope Valentine, though little is known about him except that he served a mere 40 days around A.D. 827.

Valentine is the patron saint of beekeepers and epilepsy, among many other things.

Saints are certainly expected to keep busy in the afterlife. Their holy duties include interceding in earthly affairs and entertaining petitions from living souls. In this respect, St. Valentine has wide-ranging spiritual responsibilities. People call on him to watch over the lives of lovers, of course, but also for interventions regarding beekeeping and epilepsy, as well as the plague, fainting and traveling. As you might expect, he's also the patron saint of engaged couples and happy marriages.
