Cannot Marry in the Catholic Church Due to A Prior Marriage?

Pope Francis streamlined the process to petition for a declaration of nullity to make the process shorter. He also eliminated the mandatory fee. If a person is able to prove in this process that their prior martial bond was invalid for some reason, that he or she can marry in the Catholic Church or validate a current civil marriage. For assistance in petitioning, you can contact *Sharen Chaves, Ruth Statler or Jim and Jan Manion* at 8089658202. They will assist you as an advocate.

MISSION STATEMENT

We, the people of Sacred Heart Parish in Pahoā, Hawaii, strive to be a community of faith. We believe we are called by God to be disciples of Jesus Christ and to be good stewards within the Church and our local communities

We are called to praise and reverence God, to support one another on our journey of faith, to work for the salvation of our souls, and to labor for peace and justice. By the grace of God and the power of the Holy Spirit, we do this by communal liturgical worship, faith sharing, ongoing faith formation, stewardship, outreach ministries, and by selflessly giving of our time, talent and treasure.

Sunday Connection

Luke 16:1-13 (shorter form, Luke 16:10-13)

Jesus tells a parable about a dishonest steward who is commended for his prudence; one cannot serve both God and money.

Today's Gospel sounds puzzling to contemporary readers, but it can be made less so by considering the economic system which stands behind the parable. A steward is dismissed because he is squandering his master's property. He is called dishonest because he is not serving the interests of the rich man, his employer. In response the steward, in an attempt to ensure favor for himself among the rich man's debtors, brokers repayment of the rich man's loans by foregoing the interest and fees that had been levied to line the steward's pockets. It is this action, in which the steward puts aside his greed and takes the longer perspective in order to enhance his security, which is commended by the rich man.

The passage concludes with three morals for the listeners. The first exhorts the listener to be prudent about the use of wealth. Like the steward in the parable, those who would follow Jesus must put transitory affairs in proper perspective. Christians should handle the affairs of temporal life with an eye toward eternal life.

The second concerns trustworthiness. Those who can be trusted in small things can also be trusted in great things. If Christians handle money and other passing things responsibly, then they can also be trusted with the affairs of the Kingdom of God.

Finally, Jesus tells his listeners that no one can serve two masters simultaneously. God must be put ahead of money.
