

Jeremy's Dream Foundation

Jeremy David Parker

1995-2016

Jeremy's Dream Foundation was founded December 2016, to continue the legacy of Jeremy's passion, to touch lives young or old in some small way and to give unconditionally like Jeremy did. This foundation was started because of the untimely passing of my son. I felt I needed to do something to keep his spirit alive and I know no better way than to give the way he did. Jeremy didn't care if you had money or if you were poor he was going to find a way to put a smile on your face and that's what this foundation is about.

Although we will give to everyone God places on my heart (and special circumstances), we are geared more towards young adults (Jeremy's age), school kids, and children with special needs. Regardless of the recipient's financial state, our mission is just to be a blessing in some small way to them.

Acts 20:35

I have shewed you all things, how that so laboring ye ought to support the weak, and to remember the words of the Lord Jesus, how he said, ***It is more blessed to give than to receive.***

All we ask of each recipient is at some point in your life "Pay It Forward".
