

Kuhnemann Carnival Information

Hosted by Southern Suburbs Junior Rugby League

Event Details

The Kuhnemann Carnival is for preparing Under 8 and Under 9 players for the new rugby league season, who have limited access to carnivals compared to older grades. Kuhnemann Carnival will provide opportunities for these younger players to gain match experience, develop their skills, and understand the fundamentals of teamwork and sportsmanship. This initiative ensures that even the youngest athletes can enjoy non-competitive play and grow in a structured, supportive environment, setting a strong foundation for their future not only in rugby league but also for an active lifestyle.
